THE MANNER OF GIVING  
IS WORTH MORE THAN THE GIFT

**2021**

## HELLO

The new Rotolux Collection is finally HERE!  
Our goal is to create sustainable and beautiful gifting products for every person and present. This year we created many new designs on FSC®-paper and on 100% recycled paper. We hope you will get inspired by our gift wrapping ideas. Let's get the party started!

## SUSTAINABLE

We keep our gift wrap environmentally friendly. We print with water based inks, and our waste water is collected and recycled.  
Many designs are printed on FSC®-paper or 100% recycled paper.  
All of our paper is 100% recyclable.

## MADE IN BELGIUM

Our gift wrap paper is developed and printed in Belgium where our company is located. Having our production close to our clients allows us to stay highly flexible and to minimize our ecological footprint.  
We reduce the distance our products travel by optimizing the logistics, and we work with suppliers who share our commitment for the environment.
